## APPOINTMENT

There are a number of aspirants for  
the position of second Deputy At-  
torney General vacated when L. B. Ly-  
mer was appointed District Magis-  
trate to succeed Judge Andrade.

The appointment of Lymer's suc-  
cessor is still to be determined and the  
aspirants include Attorney Robinson  
of Larnach & Robinson, Mr. Schnack  
in the office of E. C. Peters, Attorney  
Heen of Hilo, H. G. Spencer, Mr.  
Smith in the office of Kinney, Ballou,  
Prosser and Anderson, and Claudius  
McBride.

Robinson is considered to have a  
good chance for the place, having es-  
tablished a good reputation in the  
course of his practice and he may  
land the coveted position.

## SEVERAL GAMESTERS

## FORFEIT THEIR BAIL

Of eight Japanese gamblers who  
were caught by Chief McDuffie, Officer  
Kellett and others on last Saturday  
night, five failed to put in an appear-  
ance at Police Court this morning and  
when Clerk Fred Wood called off  
their names, Judge Lymer promptly  
announced that the ten-dollar bail had  
been forfeited.

## CHANGE OF BILL

## AT NEW ORPHEUM

The biggest and most elaborate  
dramatic production ever attempted in  
Honolulu will be put on this evening  
at the New Orpheum by the George  
B. Howard & Co. The piece is none  
other than "The Girl of the Golden  
West" from the pen of David Belasco  
and said to be the one eminent play-  
wright's best effort. For three seasons  
Mr. Belasco starred Blanche  
Bates in this wonderful western play  
and his presentation was given under  
his personal direction. Tonight the  
Howard company will submit "The  
Girl of the Golden West" with all the  
elaborateness of the original New  
York production and all of the realis-  
tic scenic features will attend it. The  
scenes of "The Girl of the Golden  
West" are laid in a small mining town  
in Arizona and the characters are  
those of the people who are born and  
raised there.

In order that patrons of the New Or-  
pheum may attend the theatre Tues-  
day night and receive first hand the  
results of the election arrangements  
have been made to have read from  
the stage, dramatic acts, complete re-  
turns.

## GARCIA FACES

## SERIOUS CHARGE

Jacinto Garcia a Porto Rican has  
been placed under arrest by the po-  
lice charged with adultery.

Tomas Safron, a member of the local  
Spanish colony was also in duran-  
ville facing a charge of assault and  
battery.

The two men were apprehended at  
the close of an investigation con-  
ducted by Chief of Detectives McDuffie  
who discovered that the green eyed  
monster had figured conspicuously in  
the affair.

Mrs. Safron, wife of the Spaniard, is  
alleged to have been found in the  
company of the Porto Rican, which  
act greatly aroused the Castilian ire  
of her spouse. Safron is said to have  
employed a cane knife in making an  
attempt to take a generous slice from  
the anatomy of Garcia. The woman  
took it upon herself to prevent the  
enactment of a general slaughter and  
received a blow on the arm nearly  
severing an artery.

It has been but a few weeks ago  
that divorce proceedings were com-  
menced in the courts by Safron against  
his wife. The matter was finally set-  
tled without a severance of marital  
ties.

The latest outbreak would prove  
however that all is not well in Safron  
family circle.

Safron and Garcia will come up for  
hearing before Judge Lymer tomor-  
row.

## WORLD PROGRESS

## Vice-Minister of Mikado's

## Realm Returning from

## Tour

"The recent progress of the world  
is wonderful. I have been here about  
ten years ago today, and today Ho-  
nolulu presents signs of up-to-date  
progress."

Hon. R. Nakakoji, Vice Minister of  
the Department of Communication  
of Japan, made the above statement  
this morning on board the liner  
Tenyo Maru when interviewed by a  
Bulletin reporter. He is re-  
turning to Japan now, after visiting  
in all the principal cities in Europe  
and the United States. He left Ja-  
pan in June by way of Russia.

"The most important matter that  
occupied by attention in my recent  
visit in Europe and the United  
States was the inspection of the elec-  
trical and hydraulic works in all the  
big factories in those countries," he  
said.

Almost all the big cities in Ger-  
many, France, Italy, Russia, Switzer-  
land, Austria and other countries  
have been visited by the Vice Min-  
ister of the Department of Commu-  
nication with a view to familiariz-  
ing himself with the present  
methods of running electrical and  
hydraulic works in the foreign coun-  
tries.

When he returns to Japan, it is  
his intention to advise his superior  
in office, the Minister of Commu-  
nication, to adopt some of the recent  
improvements in the telephone and  
telegraph lines, that will be most  
useful in the service.

As soon as the big liner docked  
at Alakea wharf, Consul-General  
Uyeno went on board the steamer to  
meet the vice minister. Rear-Ad-  
miral Yashiro and staff, Captain Ta-  
naka and Captain Yamaji of the  
Japanese warships Asama and Kasagi  
also called on the distinguished  
member of the Japanese cabinet  
and had a long conference on board  
the liner.

This afternoon Mr. Nakakoji and  
party are being entertained by Con-  
sul-General Uyeno and Admiral Ya-  
shiro at the consulate. They will  
also visit points of interest, includ-  
ing Nuuanu Pali and Moanaloa.

Although it is not authentically  
stated, it is said that the dis-  
tinguished guest will be given a ban-  
quet this evening.

There is a shipment of Puget Sound  
lumber destined for the islands by  
the American schooner Camano. This  
vessel is reported by cable as having  
sailed from Port Gamble for Hono-  
lulu on last Friday.

TENYO MARU HERE WITH RECORD  
LIST OF PASSENGERS AND FREIGHTLARGE NUMBERS OF JAPANESE RETURNING TO DIA NIP-  
PON—MANY DEPARTURES AMONG INTER-ISLAND  
STEAMERS TOMORROW—FUEL BOAT FROM COAST.  
HONGKONG MARU RELEASED FROM QUARANTINE.

Coming up to the Alakea wharf at  
exactly noon today, the Tenyo Maru  
Kaibara liner Tenyo Maru five days  
and eighteen hours from San Fran-  
cisco is proceeding to the Orient with  
what is declared as a record list of  
passengers as well as a quantity of  
freight.

In the hold of the vessel are stored  
5385 tons of merchandise and supplies  
destined for a number of ports  
throughout Japan, China and the Phi-  
lippines. A large percentage of the  
cargo is of much value.

Nearly nine hundred passengers are  
voyaging to the Far East by the po-  
pular liner. Of this number are 581  
Americans. Honolulu drew six lay over  
passengers. In the cabin there are  
135 booked through to the East, with  
91 in the second class.

It is claimed that Japanese are  
leaving the Pacific coast states in  
large numbers now that the fruit  
picking season has closed. The Tenyo  
Maru is carrying 394 Japanese to their  
native land.

"We had fine weather all the way  
down," was the comment made by  
Passenger W. H. Reid who now ably fills  
the office vacated by Lacy Goodrich.  
Mr. Reid was formerly freight clerk  
in the Tenyo. Serving in this cap-  
acity he has won for himself a host  
of friends who now wish him well in  
his higher station. He has always  
been a very well liked official. He is  
depended the right man in the right  
place, and was the recipient of the  
warmest congratulations from local  
shipping people upon the arrival of  
the liner at the wharf today. Cap-  
tain Ernest Bent is back on the bridge  
of the Tenyo after a well-earned vaca-  
tion.

The Tenyo passed the transport Lo-  
gan and the Nippon Maru yesterday  
and last evening.  
In transit is carried two blooded  
horses for Japanese stables. Of the  
through passengers C. M. Munie is  
traveling to Japan on a business mis-  
sion connected with the American  
Locomotive Works. He is accompan-  
ied by Mrs. Munie.

Y. Ozaki, Mayor of Tokyo is return-  
ing after an extended visit to chief  
cities in Europe and the United  
States.

F. Y. Cheng, as a member of the  
Chinese diplomatic corps at Washing-  
ton is returning to Peking where he  
will hold an important conference with  
the home office relative to matters  
concerning immigration and com-  
merce.

There are a number of missionaries  
on board the vessel who have been  
away on their vacations spent mainly  
on the mainland.

Mrs. William Gray and Miss M.  
Thayer are related to Minister Cal-  
houn now stationed at Peking. They  
are on a visit to the Orient.

W. E. Dargie the owner of the Oak-  
land California Tribune, is a passen-  
ger by the Tenyo Maru and is on a  
round trip to the Far East. He is  
accompanied by Dr. D. D. Crowley also  
of California.

H. O. Beatty is the son of Judge  
Beatty of the Supreme Court of Cal-  
ifornia. It will be remembered that  
Judge Beatty is on a round trip to  
Japan and China.

C. Lacy Goodrich, the former pur-  
ser of the Tenyo Maru failed to con-  
nect with the liner at San Francisco.  
He may take up the voyage to the  
East where he will be stationed as  
the representative for the Western  
Pacific, on a later boat.

Three Japanese stowaways are be-  
ing returned to their native land.  
One death occurred it being that of  
a Japanese infant who succumbed to  
tuberculosis just before the Tenyo en-  
tered quarantine at Honolulu.

F. H. Dougherty is the new freight  
clerk on the Tenyo taking up the ap-  
postle formerly performed by "Bill"  
Reid. Dougherty is an old hand at the  
business. He is no stranger to T. K.  
R. methods as he served in the San  
Francisco office for the past two  
years. He has had a wide experience  
on the Atlantic.

The Tenyo Maru is scheduled to  
sail for Japan ports and Hongkong  
at midnight tomorrow morning.  
Three hundred and thirty-four sacks  
of mainland mail arrived by the ves-  
sel.

## Logan Departed for the Coast.

Contrary to expectations, Brigadier-  
General Bliss decided to remain over  
at Honolulu and the United States  
army transport Logan sailed for the  
coast an hour later than the regular  
schedule without the high ranking  
army officials included in the passen-  
ger list. While here the Logan took  
on a small quantity of supplies. There  
is every possibility of the Japanese  
liner Nippon Maru arriving at San  
Francisco ahead of the transport.

## Transport Sheridan Enroute.

According to a cable received at the  
local headquarters of the United  
States army quartermaster depart-  
ment, the transport Sheridan sailed  
from San Francisco on last Saturday.  
The vessel should arrive here on Fri-  
day evening or Saturday morning. It  
is reported that Major Dunning of  
Fort Shafter is a passenger for Hono-  
lulu by the troopship.

## Missouri Brought Coast Cargo.

The harbor was considerably liv-  
ed up in appearance by the arrival  
of the big American-Hawaiian freight-  
er Missouri. This vessel is now at  
the railway wharf where between  
three and four thousand tons of  
freight from the mainland is being  
discharged preparatory to the loading  
of a quantity of pineapples and other  
Hawaiian products. The Missouri  
comes from Salina Cruz, calling by  
the way of San Francisco, Seattle and  
Tacoma. Included in the shipment in-  
tended for Honolulu are four head of  
blooded cattle and several crates of  
chickens also adorned with aristocratic  
pedigrees. The fowls are consigned  
to the College of Hawaii and will  
be used in an experimental way in  
the attempted propagation of high  
class poultry. Eighty-four sacks mail  
arrived by the freighter.

## Tomorrow a Busy Day.

Inter-island departures tomorrow in-  
clude that of the steamer Mikahala  
for Molokai, Maui and Lanai ports,  
the Hilo liner Mauna Kea for the Ha-  
waii metropolis calling enroute at  
Maui ports. The Mauna Kea will get  
away at ten o'clock. The steamer Ki-  
nau is on the berth to sail for Kauai  
ports at five o'clock in the evening.  
Taking explosives and other cargo,  
the steamer Waiile will make a spe-  
cial trip to Paahou, Honokaa and  
Kukuihae, sailing from her wharf at  
noon tomorrow. The steamer Helene  
is also booked for sailing at noon to-  
morrow calling at the ports of Paau-  
hi, Oahu, Lanipahoehoe, Papaaloa,  
taking cargo only. The Nihua now  
at the port is scheduled to sail for  
Kauai and Lanai at noon to-  
morrow.

## Lurline Here on Wednesday Morning.

Castle & Cooke, the local agents for  
the Matson Navigation steamer  
Lurline received a wireless last eve-  
ning to the effect that the vessel would  
arrive at Honolulu early Wednesday  
morning.

The Lurline is bringing from San  
Francisco a large general cargo  
amounting to 3764 tons and included  
in this consignment are thirteen au-  
tomobiles for local importing firms. The  
vessel will bring 24 passengers and  
64 sacks of later mainland mail. The  
vessel also carries over nine hundred  
tons of freight destined for Kahului.  
The Lurline is meeting with light  
southwest winds and smooth seas ac-  
cording to last report.

## Ethel Zane Ready for Sea.

The repairs having been completed,  
the American schooner Ethel Zane is  
now being re-loaded with the hard-  
wood railway ties taken on at Hilo  
and it is expected that the vessel will  
proceed to sea by Wednesday.  
The Ethel Zane arrived at Honolulu on Oc-  
tober 13th in a distressed condition  
the vessel was found leaking and very  
unseaworthy. After having spent a  
week on the local marine railway the  
schooner has been placed in good  
condition again.

## Missouri to Call at Maui.

Included in the freight shipment on  
board the American-Hawaiian freight-  
er Missouri now at the port is car-  
go for Kahului and Hilo. It is the  
present intention to dispatch the ves-  
sel for Maui and Hawaii tomorrow.
